ETHYRFIELD - South Devon

Rock/metal band ETHYRFIELD put on astonishing, confident, jaw-dropping performances. It's mesmerising to watch this trio of young, talented musicians put on such powerful, energetic performances of low-end heavy tracks. Zach's unwavering intense vocals pack a real punch of raw brutality whilst still maintaining a melodic edge. Vocal harmonies with Ben sound sublime and the musicianship from all three band members is outstanding. Phenomenal drummer Dan pummels away in perfect harmony to Zach's grumbling bass, and former Sky Arts Guitarist of the Year finalist Ben's quick-fingered prowess is utterly masterful. A band turning a lot of heads on the circuit right now.

Bookings & Communication

The booking process is quick and smooth. They are quick to reply, send all requested information over, offering further assistance if needed. Arrive promptly at venues and keen to interact with everyone.

Promotion & Interaction

Share events on social media and are appreciative of being involved. Bring merchandise and a crew to man it. Happy to sign promotional materials and spend time interacting with people before and after their set. The band and their team are extremely professional and approachable.
